### ABOUT ME

I have a passion to work in an Architectural Design firm where I can get a chance to use my ideas and thoughts, as well as learn and improve the skills that I already possess. An opportunity which could help me utilize my skills for achieving organizational goal through my efforts and hard work. Always keen to meet new people with whom I interact. My main motto is "To be a leader is to see the leaders". So whatever I put my mind to do, it does not matter whether its any task at ARCHITECT hand.
